**Mission:**

- Develop real estate projects that increase our client's net worth, while improving social surrounding and the environment for the communities where we participate as professionals.

Purpose:

- Build Trust.
- Create sustainable wealth.

Values:

- Trust – Fulfill expectations.
- Commitment – Keep our word and promises.

Beliefs:

- It all starts with personal team development.
- Our allies play leading rolls in the business.
- We care about whom we do business with.
- Successful companies measure results, open books, and tell the truth.
- Profit matters.
- No transaction is worth our reputation.
- Our projects must Create Value for all participants.

OUR ROLE

As Real Estate Developers, our scope is:

- Financial and Project Analysis
- Underwriting & Business Plan
- Escrow & Legal Structure
- Capital & loans.
- Planning and Project Management
- Soils and site analysis
- Design Coordination Process & Preconstruction
- Construction Permits
- Construction management and supervision
- Financial Report
- Commissioning and Starts up.
- Operation and administration
- Revenue Share.

OUR FEES

Development Fee:

- 6% of Total Investment (Land, Soft and Hard Cost) Structured Trust Financing, as periodical fees (usually from Debt).

Promote:

- 3% Equity Share as a contribution from Development Trust when incorporated.
- 3% Equity Share at project handover, subject to buyout or profit release.

Bonus:

- 50% Profit Share above approved and signed profit expectations.

Note: No opening fees, no down payments, no one-sided schemes. Our Track record drives us to excel by sharing with our partners, clients, and suppliers.
